### Macro developments

- Government of India (GoI) has approved sovereign guarantee of Rs 306bn for security receipts (SRs) issued by NARCL for acquiring of stressed loan assets. GoI aims to transfer Rs 2tn worth NPAs in phases, with Rs 900bn worth NPAs being transferred in phase 1. For the assets transferred, banks will get 15% upfront cash and 85% as SR. The sovereign guarantee will be valid for 5 years contingent upon resolution or liquidation of the asset. It is intended to cover the shortfall between face value of the SRs and actual realisation.
