

**RESEARCH**
**BOB ECONOMICS RESEARCH | FISCAL UPDATE**

Expect fiscal deficit of 6.6-6.7% for FY23

**SUMMARY**
**INDIA ECONOMICS: FISCAL UPDATE**

Central government has recently presented the first batch of supplementary grants. The net cash outgo is pegged at Rs 3.26 lakh crore which is ~1.2-1.3% of the GDP. While a bulk of additional spending is for fertilizer and food subsidy, other important heads also include compensation to OMCs, rural development, railways and roads. We don't expect this is to have a significant impact on the targeted fiscal deficit ratio (6.4%) which may move up by 0.2-0.3% of GDP as there are other forces at work that will counter this impact which includes buoyant revenue collections and expected increase in nominal GDP.

Economist

First supplementary grant:

Union government has sought grant for additional expenditure of Rs 4.36 lakh crore, of which Rs 1.11 lakh crore will be met through higher revenues and overall net cash outgo is projected to be at Rs 3.26 lakh crore. This spending will be over and above the budgeted amount of Rs 39.45 lakh crore for FY23.

Out of the net cash outgo of Rs 3.26 lakh crore,

- Rs 1.09 lakh crore is on account of higher fertilizer subsidy bill, which was incurred owing to higher input prices following the outbreak of the Russia-Ukraine war.
- Additional Rs 80,348 cr in on account of extension of PM-Garib Kalyan Anna Yojna (PMGKAY).
- To cover for the losses made by Oil Marketing Companies (OMCs) owing to domestic LPG operations and PM-Ujjwala Yojna, Ministry of Petroleum is set to incur additional Rs ~25,000 crore.
- Apart from this, ministry of rural development has estimated an extra Rs ~45,000 cr spending under National Employee Guarantee Fund (NEGF)/MG-NREGA/PM-Awas Yojna-Rural.
- Ministry of Railways is estimated to spend Rs 12,000 crore as capital outlay, while Ministry of road transport & highways will spend an extra Rs ~18,000 crore. Nearly Rs 10,000 crore will be used of meeting resource gap of J&K and Puducherry.
