## Poised to gain from capex projects in India and Novelis

- Capex programme in domestic business (Aluminium (Al) upstream and Copper) and overseas Novelis business to drive growth
- Incremental volumes from Al expansion (374Kt), Novelis brownfield & Greenfield (600Kt) and captive coal cost savings are growth drivers
- Initiate coverage with BUY and EV/EBITDA based TP of Rs1,050, based on Mar. 2028E EBITDA (India at 5.5x & Novelis at 6.5x)

### Positive demand environment to benefit Aluminium upstream and

**downstream businesses:** Global Supply demand environment for Aluminium (Al) remains balanced, which augers well for the stability in Al pricing. Domestic demand growth has been strong with the industry reporting 13% CAGR over FY21-FY25 period.

### Novelis continues to see improved demand from various consumption

**segments:** Demand outlook is positive. Over the medium to long term, growth is estimated to be 3.5%-4.0% - driven by consumption gr.across segments like beverage cans, automotive and aerospace. Novelis targets reduction in cost by USD300mn by FY28E end. Over the long term, management has guided an EBITDA per tonne of +US\$600, supported by cost savings and Greenfield 600kt Bay Minette, Alabama (US) project ramp up.

**Copper business remains on a steady growth trajectory:** Copper demand in the domestic market remains strong, driven by key sectors - electrical/electronics, construction, and automotive. With a positive view on outlook, Hindalco plans a brownfield expansion of 300KTPA, which will ramp up capacity to 821KTPA from 521KTPA.

**Capex expansion projects to drive long-term growth:** In the domestic business, capex initiatives are focused on backward integration of the Alumina, Al upstream, and Copper upstream, whereas in the Novelis company, there is a brownfield 175Kt and greenfield 600kt project in Bay Minnete, Alabama, US. Domestic initiatives will result in incremental volumes in FY29E, while the Novelis business will produce incremental volumes with a ramp up in FY27E, FY28E and beyond.

**Valuation & Key Risks:** We initiate coverage on Hindalco with a BUY rating and TP of Rs1,050. We value the company on SoTP basis - India business at 5.5x Mar. 28E EBITDA and Novelis at 6.5x Mar.28E EBITDA. Delay in ongoing projects and hike in capex cost would impact growth.

### General disclaimers

BOBCAPS is engaged in the business of Stock Broking and Investment Banking. BOBCAPS is a member of the National Stock Exchange of India Limited and BSE Limited and is also a SEBI-registered Category I Merchant Banker. BOBCAPS is a wholly owned subsidiary of Bank of Baroda which has its various subsidiaries engaged in the businesses of stock broking, lending, asset management, life insurance, health insurance and wealth management, among others.

BOBCAPS's activities have neither been suspended nor has it defaulted with any stock exchange authority with whom it has been registered in the last five years. BOBCAPS has not been debarred from doing business by any stock exchange or SEBI or any other authority. No disciplinary action has been taken by any regulatory authority against BOBCAPS affecting its equity research analysis activities.

BOBCAPS prohibits its analysts, persons reporting to analysts, and members of their households from maintaining a financial interest in the securities or derivatives of any companies that the analysts cover. Additionally, BOBCAPS prohibits its analysts and persons reporting to analysts from serving as an officer, director, or advisory board member of any companies that the analysts cover.

Our salespeople, traders, and other professionals may provide oral or written market commentary or trading strategies to our clients that reflect opinions contrary to the opinions expressed herein, and our proprietary trading and investing businesses may make investment decisions that are inconsistent with the recommendations expressed herein. In reviewing these materials, you should be aware that any or all of the foregoing, among other things, may give rise to real or potential conflicts of interest. Additionally, other important information regarding our relationships with the company or companies that are the subject of this material is provided herein.

This material should not be construed as an offer to sell or the solicitation of an offer to buy any security in any jurisdiction. We are not soliciting any action based on this material. It is for the general information of BOBCAPS's clients. It does not constitute a personal recommendation or take into account the particular investment objectives, financial situations, or needs of individual clients. Before acting on any advice or recommendation in this material, clients should consider whether it is suitable for their particular circumstances and, if necessary, seek professional advice. BOBCAPS research reports follow rules laid down by Securities and Exchange Board of India and individuals employed as research analysts are separate from other employees who are performing sales trading, dealing, corporate finance advisory or any other activity that may affect the independence of its research reports.

The price and value of the investments referred to in this material and the income from them may go down as well as up, and investors may realize losses on any investments. Past performance is not a guide for future performance, future returns are not guaranteed and a loss of original capital may occur. BOBCAPS does not provide tax advice to its clients, and all investors are strongly advised to consult with their tax advisers regarding any potential investment in certain transactions — including those involving futures, options, and other derivatives as well as non-investment-grade securities — that give rise to substantial risk and are not suitable for all investors. The material is based on information that we consider reliable, but we do not represent that it is accurate or complete, and it should not be relied on as such. Opinions expressed are our current opinions as of the date appearing on this material only. We endeavour to update on a reasonable basis the information discussed in this material, but regulatory, compliance, or other reasons may prevent us from doing so.

We and our affiliates, officers, directors, and employees, including persons involved in the preparation or issuance of this material, may from time to time have "long" or "short" positions in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein and may from time to time add to or dispose of any such securities (or investment). We and our affiliates may assume an underwriting commitment in the securities of companies discussed in this document (or in related investments), may sell them to or buy them from customers on a principal basis, and may also perform or seek to perform investment banking or advisory services for or relating to these companies and may also be represented in the supervisory board or any other committee of these companies.

For the purpose of calculating whether BOBCAPS and its affiliates hold, beneficially own, or control, including the right to vote for directors, one per cent or more of the equity shares of the subject company, the holdings of the issuer of the research report is also included.

BOBCAPS and its non-US affiliates may, to the extent permissible under applicable laws, have acted on or used this research to the extent that it relates to non-US issuers, prior to or immediately following its publication. Foreign currency denominated securities are subject to fluctuations in exchange rates that could have an adverse effect on the value or price of or income derived from the investment. In addition, investors in securities such as ADRs, the value of which are influenced by foreign currencies, effectively assume currency risk. In addition, options involve risks and are not suitable for all investors. Please ensure that you have read and understood the Risk disclosure document before entering into any derivative transactions.
