

## Robust GRMs fuel OMCs' strong performance

- OMCs' reported a strong performance due to improved Refining business. Coverage cos reported an EBITDA growth of 51%YoY
- E&P performance of ONGC & Oil India benefitted from the higher crude realisations due to middle east crisis offset by volume degrowth YoY
- Post results, we recommend BUY on RIL, BPCL, IOC & IGL; SELL on GAIL

Sukhwinder Singh  
 Research Analyst  
 research@bobcaps.in

**Revenue growth remained healthy across OMCs:** OMCs reported healthy and improved revenue performance, led by health sales volumes. BPCL and IOCL reported revenue growth of 6.7%YoY each, while HPCL posted 4.9%YoY growth. EBITDA witnessed sharp expansion on the back of stronger GRMs. IOCL reported the strongest EBITDA growth at 65.0%YoY to Rs248bn, followed by HPCL at 58.9%YoY and BPCL at 30.2%YoY. –As for Refining margins — BPCL reported the highest GRM at USD18.1/bbl, followed by IOCL at USD15.7/bbl and HPCL at USD14.5/bbl. On volumes — IOCL continued to lead the market with domestic sales volumes growth of 6.1% YoY, followed by 3.3%YoY for BPCL and 2.6%YoY for HPCL.

**RIL:** Growth was driven by consumer businesses — Telecom and Retail. Overall revenue increased 12.5%YoY and 11.0%QoQ to Rs2.94trn. However, EBITDA performance was subdued, rising merely 0.7%YoY and declining 4.1%QoQ, weighed down by weaker Oil-to-Chemicals (O2C) business YoY and QoQ. O2C had lower polymer margins because of higher naphtha prices, impacted by supply constraints from the Middle East. Telecom performance was driven by growth in subscribers and ARPU.

**Upstream (ONGC & Oil India):** Performance of ONGC (standalone) & Oil India (standalone) on the revenue front improved, on the back of higher crude oil realisations. Volume performance was weak for ONGC, with oil production decreasing by 6%YoY and gas production declining by 3%YoY.

**CGD companies:** MGL and IGL reported good growth of 10.0%YoY and 5.5%YoY respectively, driven by volume growth. MGL's YoY volume growth was 11.4%, while that of IGL was 5.6%. However, Gujarat Gas disappointed, with a 9%YoY decline in revenue, due to decline in volumes – majorly with 17%YoY fall in industrial volumes. Gas costs were higher, owing to the elevated LNG price and supply constraints.

**Prefer RIL, BPCL, IOCL and IGL:** We maintain BUY on RIL with TP of Rs1,610, considering a positive outlook on Retail and Telecom. Maintain BUY on BPCL, with TP of Rs368, factoring in the expansion projects in future. However, the concern is on elevated crude prices. We have upgraded IOCL to BUY with TP of Rs173. IOCL has an ongoing capex programme of Rs1.6-1.8trn, targeted at refining expansion and petchem projects. We maintain BUY on IGL; however, considering the subdued operational performance reduce TP to Rs184 from Rs197.

**Gas Utility companies:** GAIL reported a 2.4%YoY decline in revenue and a 58.9%YoY fall in EBITDA. Gas transmission volumes fell by 1.7% YoY, due to low offtake by refineries, power as well as fertiliser sectors. Petchem business continued to incur losses. Petronet showed a weak revenue performance with 23%YoY decrease, due to lower-than-expected volumes, given the reduced supply from Qatar Energy that impacted offtake volumes.

We endeavour to update on a reasonable basis the information discussed in this material, but regulatory, compliance, or other reasons may prevent us from doing so.

We and our affiliates, officers, directors, and employees, including persons involved in the preparation or issuance of this material, may from time to time have "long" or "short" positions in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein and may from time to time add to or dispose of any such securities (or investment). We and our affiliates may assume an underwriting commitment in the securities of companies discussed in this

document (or in related investments), may sell them to or buy them from customers on a principal basis, and may also perform or seek to perform investment banking or advisory services for or relating to these companies and may also be represented in the supervisory board or any other committee of these companies.

For the purpose of calculating whether BOBCAPS and its affiliates hold, beneficially own, or control, including the right to vote for directors, one per cent or more of the equity shares of the subject company, the holdings of the issuer of the research report is also included.

BOBCAPS and its non-US affiliates may, to the extent permissible under applicable laws, have acted on or used this research to the extent that it relates to non-US issuers, prior to or immediately following its publication. Foreign currency denominated securities are subject to fluctuations in exchange rates that could have an adverse effect on the value or price of or income derived from the investment. In addition, investors in securities such as ADRs, the value of which are influenced by foreign currencies, effectively assume currency risk. In addition, options involve risks and are not suitable for all investors. Please ensure that you have read and understood the Risk disclosure document before entering into any derivative transactions.

No part of this material may be (1) copied, photocopied, or duplicated in any form by any means or (2) redistributed without BOBCAPS's prior written consent.

#### **Other disclaimers**

BOBCAPS and MAYBANK (as defined below) make no representation or warranty, express or implied, as to the accuracy or completeness of any information obtained from third parties and expressly disclaim the merchantability, suitability, quality and fitness of this report. The information in this report has not been independently verified, is provided on an "as is" basis, should not be relied on by you in connection with any contract or commitment, and should not be used as a substitute for enquiries, procedures and advice which ought to be undertaken by you. This report also does not constitute an offer or solicitation to buy or sell any securities referred to herein and you should not construe this report as investment advice. All opinions and estimates contained in this report constitute BOBCAPS's judgment as of the date of this report and are subject to change without notice, and there is no obligation on BOBCAPS or MAYBANK to update this report upon issuance. This report and the information contained herein may not be reproduced, redistributed, disseminated or copied by any means without the prior consent of BOBCAPS and MAYBANK.

To the full extent permitted by law neither BOBCAPS, MAYBANK nor any of their respective affiliates, nor any other person, accepts any liability howsoever arising, whether in contract, tort, negligence, strict liability or any other basis, including without limitation, direct or indirect, special, incidental, consequential or punitive damages arising from any use of this report or the information contained herein. By accepting this report, you agree and undertake to fully indemnify and hold harmless BOBCAPS and MAYBANK from and against claims, charges, actions, proceedings, losses, liabilities, damages, expenses and demands (collectively, the "Losses") which BOBCAPS and/or MAYBANK may incur or suffer in any jurisdiction including but not limited to those Losses incurred by BOBCAPS and/or MAYBANK as a result of any proceedings or actions brought against them by any regulators and/or authorities, and which in any case are directly or indirectly occasioned by or result from or are attributable to anything done or omitted in relation to or arising from or in connection with this report.

#### **Distribution into the United Kingdom ("UK"):**

This research report will only be distributed in the United Kingdom, in accordance with the applicable laws and regulations of the UK, by Maybank Securities (London) Ltd ("MSL") who is authorised and regulated by the Financial Conduct Authority ("FCA") in the United Kingdom (MSL and its affiliates are collectively referred to as "**MAYBANK**"). BOBCAPS is not authorized to directly distribute this research report in the UK.

This report has not been prepared by BOBCAPS in accordance with the UK's legal and regulatory requirements.

This research report is for distribution only to, and is solely directed at, selected persons on the basis that those persons: (a) are eligible counterparties and professional clients of MAYBANK as selected by MAYBANK solely at its discretion; (b) have professional experience in matters relating to investments falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005, as amended from time to time (the "Order"), or (c) fall within Article 49(2)(a) to (d) (high net worth companies, unincorporated associations, etc. as mentioned in the stated Article) of the Order; (all such persons together being referred to as "relevant persons").

This research report is directed only at relevant persons and must not be acted on or relied on by any persons who are not relevant persons. Any investment or investment activity to which this material relates is available only to relevant persons and will be engaged in only with relevant persons.

The relevant person as recipient of this research report is not permitted to reproduce, change, remove, pass on, distribute or disseminate the data or make it available to third parties without the written permission of BOBCAPS or MAYBANK. Any decision taken by the relevant person(s) pursuant to the research report shall be solely at their costs and consequences and BOBCAPS and MAYBANK shall not have any liability of whatsoever nature in this regard.

#### **No distribution into the US:**

This report will not be distributed in the US and no US person may rely on this communication.

#### **Other jurisdictions:**

This report has been prepared in accordance with SEBI (Research Analysts) Regulations and not in accordance with local regulatory requirements of any other jurisdiction. In any other jurisdictions, this report is only for distribution (subject to applicable legal or regulatory restrictions) to professional, institutional or sophisticated investors as defined in the laws and regulations of such jurisdictions by Maybank Securities Pte Ltd. (Singapore) and / or by any broker-dealer affiliate or such other affiliate as determined by Malayan Banking Berhad.

If the recipient of this report is not as specified above, then it should not act upon this report and return the same to the sender.

By accepting this report, you agree to be bound by the foregoing limitations.
